Transition to High School

Dear Parent/Guardians,

A number of you have started to ask both Miss Harris and I about the upcoming transition of your child(ren) to high school and the registration window dates.

To date in school we have had no formal communication and paperwork from the local authority, however we are aware they have started to contact a number of schools so we are hoping to be contacted imminently.

Historically, as parents/guardians you have had the opportunity to visit all the secondary schools in Wrexham as they have welcomed the opportunity to open their doors and celebrate their work with you. Current circumstances are making this very difficult for them so a number of schools are moving to virtual visits and information sharing. Over the next few weeks as we receive the information, Miss Harris and Miss Roberts will share accordingly with you via the SEESAW APP.

We are pleased to announce that Ysgol Bryn Alyn have issued the following link (please see below) for any parents/guardians wishing to register for transition information.

Should you have any queries regarding the transition process or wish to speak with myself or Miss Harris please contact school.

Yours sincerely

Mr D. Lloyd
