Chair of Governors: Mr S Wynne

29<sup>th</sup> January 2019

Dear Parent/Guardians,

I am just writing to you to inform you of the schools position for the next few days in relation to the current weather and predicted forecast. The school will always endeavour to stay open. However, as a school we have to balance the health and safety needs of pupils and staff at the school. The school is also aware of the transport issues that staff and families face in the morning and afternoon.

## Keeping in Touch!

With snowfall predicted until Friday, should I need to make a decision as to whether school is open or closed before the official start time of 08.55am updates will be provided through the following methods –

- Wrexham County Council Website – [www.wrexham.gov.uk/schoolclosures](http://www.wrexham.gov.uk/schoolclosures) - **ONLY IF SCHOOL IS CLOSED**
- Ysgol Tanyfron Twitter account - @YsgolTanyfron

Updates will also be provided throughout the day via the above options should they be needed.

## Car Parking

A number of local residents and parents/guardians have expressed concern to me and the governing body regarding a number of cars parked dangerously before school and at home time. Whilst we appreciate that parking is extremely difficult around school, and the current time of year means more parents/guardians use cars due to the weather, can we please remind drivers of the following issues/concerns –

- Please do NOT park on the yellow zig-zag lines at any point throughout the day. The lines are there to provide a passing point and keep traffic moving.
- Please do not block the driveways of local residents both on Tanyfron Road and St Albans Road. They have the right to gain access to their property at all times.
- Please be mindful at the top of Tanyfron Road where the pavement comes to an end. Please ensure that parents/guardians have appropriate access to continue their journey in the safest possible manner.

## Dogs on the playground

Can we please ask that all parents/guardians who walk their dog to school to drop off/collect their child(ren) do not bring their dog(s) onto the school grounds and yard. Can we politely ask that dogs do not come down the pathway from St Albans Road down to the forest school area. As I'm sure you appreciate the Health & Safety of pupils is our main priority. I thank you in advance for your understanding and co-operation.

Should you have any queries regarding any of the above, please don't hesitate to contact myself or your class teacher.

Yours sincerely

Mr D. Lloyd  
Headteacher
