Coronavirus / Covid-19 Update – March 18th 2020

Dear Parent/Guardians,

Like yourselves through the local and national media, I am being made aware of potential school closures from this Friday 20th March. At this time, I have no further information or insight into the exact details of what the closures mean for pupils, staff and families. Mrs Jones and I were made aware by a member of the local community passing the school at the end of lunchtime about the news.

I would be grateful if you could not ask staff questions at the end of the day about the closures as they honestly don't have the information at this point in time. As I have always tried to do as soon as I have clarity of the plans ahead, I will communicate them with you.

Yours sincerely

Mr D. Lloyd
