## Coronavirus / Covid-19 Update – March 26<sup>th</sup> 2020

Dear Parent/Guardians,

Unfortunately, we are still over the recommended guidelines for 'safe' childcare provision for your child(ren) and staff. As stated in a previous correspondence we are now in a position where we are going to have to ask parents/guardians to clarify their work position and provide copies of each parent's rota/working hours. (Please note this information is **NOT** required where **BOTH** parents/guardians are Nurses, Doctors, Paramedics and Food managers)

This information will be sent out via a paper based copy along with electronically and must be returned tomorrow so we can ascertain people's eligibility for week beginning 30<sup>th</sup> March onwards. I am more than happy for parents/guardians to provide the information via SEESAW or through the school's email address. As previously stated should we still be above the recommended guidelines we will have to prioritise from the government provided 'key worker' list. E.g. NHS administration staff and finance/utility workers will be less likely to be able to secure childcare provision in school.

Please let me remind you of the following key Welsh government guidelines –

**"If children can stay safely at home, they should!"**

**"If one parent is a critical worker but the other parent is not, then the other parent should provide safe alternative arrangements at home"**

If you do have any queries please remember that staff can be contacted via SEESAW or the school's email address.

Yours sincerely

Mr D. Lloyd
