Phased Return to School in September – July 17th 2020

Dear Parent/Guardians,

Following the very detailed correspondence on Wednesday, which I appreciate, shared a lot of information I write to you today to confirm the arrangements for the period Tuesday 1st September through to Friday 11th September.

The logistics behind these arrangements have been complex and extensive so unfortunately they can not be changed or amended to suit any personal requirements. The rationale behind the phased return to school is in line with the Welsh Government and local authority guidance. It is recognised that all schools in Wales will need some planned time to adjust before they reach full capacity.

To minimise any possible disruption to family circumstances during the phased return, we have planned that all siblings are in the same group.

We have worked hard since our last bubble finished on Wednesday to prepare school and we cannot wait to see you all in September in your new classes. Don't forget to look out for more details about how the school will operate, which drop off/pick up point, what time to arrive and much more in September. We will finalise all site plans over the summer as many decisions hinge on future decisions.

Have a wonderful summer holidays wherever that may take you but please keep yourselves safe and well.

Yours sincerely
