Parental Questionnaire – October 2020

Dear Parent/Guardian,

Whilst we continue to navigate our way through the coronavirus pandemic, as a school community we are keen to ensure that we continue to strive to develop school to its maximum so all our learners achieve their full potential. As we approach the end of the first half term, I am keen to engage with you as to how you feel school is performing in a number of areas.

Internally throughout the year the governing body, leadership team and staff complete a number of self-evaluation exercises and school improvement tasks with the GwE regional challenge advisor, local authority and Welsh Government. However, the governing body and I feel to date we don't have a regular and formal opportunity to canvas your thoughts and feelings on the day to day running of school.

Attached overleaf is a questionnaire, which I would be grateful if you could complete and return to school. Upon completion, the governing body, leadership team and staff will evaluate your comments and note our strengths and importantly areas for development for the rest of the academic year.

Once completed, the questionnaire will be used to put together an action plan, which will be shared with yourselves along with strategies we will be implementing to work towards our targets/actions. At the end of the academic year, we intend to complete a similar process, which will allow us to identify any positive changes to the running of school following your feedback.

Please complete the questionnaire and return to school by no later than **Wednesday 14th October.**

Thank you for your continued support and should you have any queries please do not hesitate to contact us in school or via your class teachers SEESAW.

Yours sincerely

Mr D. Lloyd
Headteacher
