16<sup>th</sup> July 2021

## Final Update - July 2021

Dear Parents/Guardians,

As we approach the end of year I wish to take this opportunity to summarise the year and provide provisional information for the beginning of the 2021-22 academic year. Unfortunately we are somewhat stumbling to the finish line of the academic year due to COVID-19 with currently over two thirds of pupils and staff isolating. This of course has meant a premature and somewhat abrupt end to the year.

However moving forward we look forward to September with optimism that school life may return to a little more normality. Many of you I am sure will have read/watched the latest guidelines for not only schools but also the country generally. The leadership team in school have started to prepare school for the new rules and these will be shared with parents/guardians nearer to September when we have a greater understanding of Welsh government rules and guidance at that time.

Over the summer holiday we will as we have done previously be publishing a 'reopening' booklet which will provide parents/guardians with all the information required. We are hoping to publish this via your child(ren)'s current class on week beginning 23rd August.

Well, it's time to say a fond farewell to another cohort of year 6 leavers. Whilst we wish them all the very best on their next steps we as a staff and governing body are saddened that for the second year running the year 6s have missed out on a number of experiences which enhance the experiences of primary school life. However, all staff wish you the very best moving forward and please keep in touch to share your achievements with us.

As our year 6s begin their high school journey as noted in previous correspondents school will start a new journey with certain staff members moving to new year groups, external and internal work for the summer holidays all confirmed and new staff members joining us. The governing body are also pleased to announce that Miss C Ion will be joining us in September in preparation for Miss Harris leaving us due to her maternity leave. Miss Ion has been in school this week and will be joining us from Ysgol Hafod, Johnstown. I am sure she will be a great addition to the team.

Finally, on behalf of the whole staffing team and governing body I would like to thank you all for your continued support throughout the year, which again has been challenging and unpredictable. It has been for all an intense and disruptive year, but your positive response and support has been amazing for which staff are incredibly grateful. Thank you!

We look forward to welcoming all children back on **Thursday 2<sup>nd</sup> September.**

Should you have any queries please feel free to contact myself in school or your child(ren)s current class teacher directly on SEESAW.

Yours sincerely

Mr D. Lloyd  
Headteacher
