Dear Parents/Guardians

As we have reached the end of the Autumn Term, can I take this opportunity to thank you all for your continued support to school and to wish you all a very merry Christmas and happy new year. I hope you all have a very enjoyable Christmas holidays and the children a well-earned rest.

Below is a small update of key information which may be useful ahead of our return to school in January.

Christmas Quiz Night

Can I once again thank all of the families that attended our Big Christmas Quiz Night. I hope the evening left you in the festive spirit. Through all of your kind donations, the PTA and school were able to raise a combined total of £1100. I shall be meeting with the school council in January where they will have a big decision to make as to whether they wish to continue to use our fundraising to further develop the playground, or do they have another project in mind. Our Chair to the School Council will be sure to keep you updated once they have made their decision.

The Christmas raffle was drawn yesterday during our whole school assembly. All lucky winners have been notified by a staff member so that prizes can be collected.

School Website and Calendar

Our school website has recently been having an update and unfortunately an error on the school calendar was found. We now have a new calendar attached to the website which will mean that parents will need to re-subscribe to the calendar to be able to access all electronic updates. This parental calendar is linked directly to our school calendar so all dates and information is likely to be provided here before going out on letters. To subscribe please click the links below, or alternatively you can visit our school website and access the links on the school calendar page.

Staffing Update

As mentioned previously, we would like to wish Miss Burgin all the very best as she goes on her maternity leave, and welcome Miss Chelsea Williams back to school to cover the year 5/6 class in Miss Burgin's absence.

Extra-Curricular Clubs

With regards to extra-curricular clubs, there will be no clubs in the first week back, but a timetable will be released in the week with all clubs starting the following week.

Swimming Sessions

As we start a new term, it will now be the turn of Year 3 to go swimming. A letter with all information will go out to Year 3 parents when we return to school.

Should you have any questions about the above please do not hesitate to contact me directly in school.
