Class Structure for the Academic Year 2024-2025

As we are fast approaching the end of this academic year, I would like to share with you that there will be no changes to the current class structure or teaching staff within each class. Following half term, we shall be communicating class placements for every child in school in readiness for our transition week. Should parents wish to communicate any information that will support school's decision in the class placement for your child, please pass all information directly to your child's current class teacher.

Can I please wish you all a lovely May half term and should anyone have any questions about the above information, please do not hesitate to contact me in school.

Yours sincerely,

Mrs J. Jones
