

Ysgol Tanyfron

2026 - 2027

School Prospectus

Welcome to Ysgol Tanyffron

We are delighted to welcome you and your child to Ysgol Tanyffron C.P. School. This prospectus provides an introduction to our school community and the opportunities we offer. We hope it answers many of your questions, but please feel free to contact us if you require any further information.

Dear Parents,

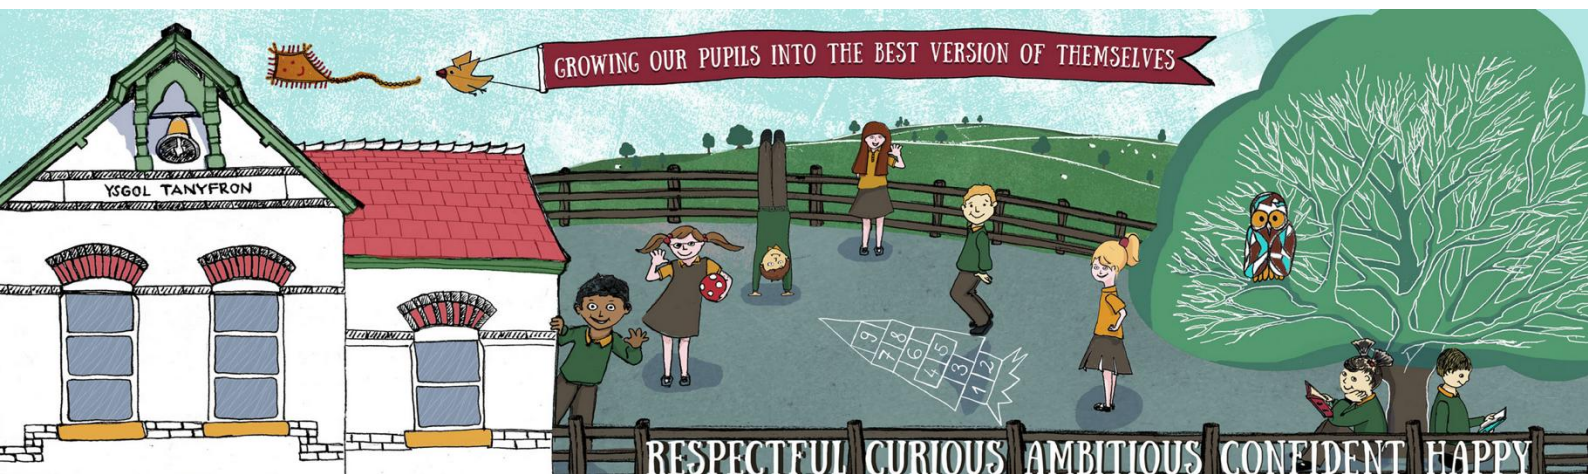

Choosing the right school for your child is one of the most important decisions you will make. As parents, we all want our children to receive an excellent education while feeling happy, safe and valued in a nurturing environment. I am incredibly proud to be the Acting Headteacher of Ysgol Tanyffron, where the wellbeing, happiness and success of every child are at the heart of everything we do. Our aim is to ensure that all pupils are supported to thrive, grow in confidence and achieve their full potential.

At Ysgol Tanyffron, we are committed to helping every child become the very best version of themselves. Through a broad, balanced and engaging curriculum, rooted in the four purposes of the Curriculum for Wales, we provide meaningful learning experiences that inspire curiosity, creativity and ambition. High-quality teaching and learning are central to our school, and we are proud of the dedication shown by both our staff and pupils each day. We believe that education is a lifelong journey, and our role is to provide the opportunities, guidance and encouragement that enable every child to succeed along the way.

Strong relationships and a sense of community are at the core of our school ethos. We celebrate the individuality of every child and are committed to creating an environment where everyone feels respected, included and supported. Working in partnership with parents and families is essential to this vision, and together we can ensure that each child enjoys a positive and successful educational experience. We look forward to welcoming you into our Ysgol Tanyffron family and working alongside you for many years to come as we continue growing our pupils into the best version of themselves.

Kind regards,

Miss C. Harris

An introduction to Our School

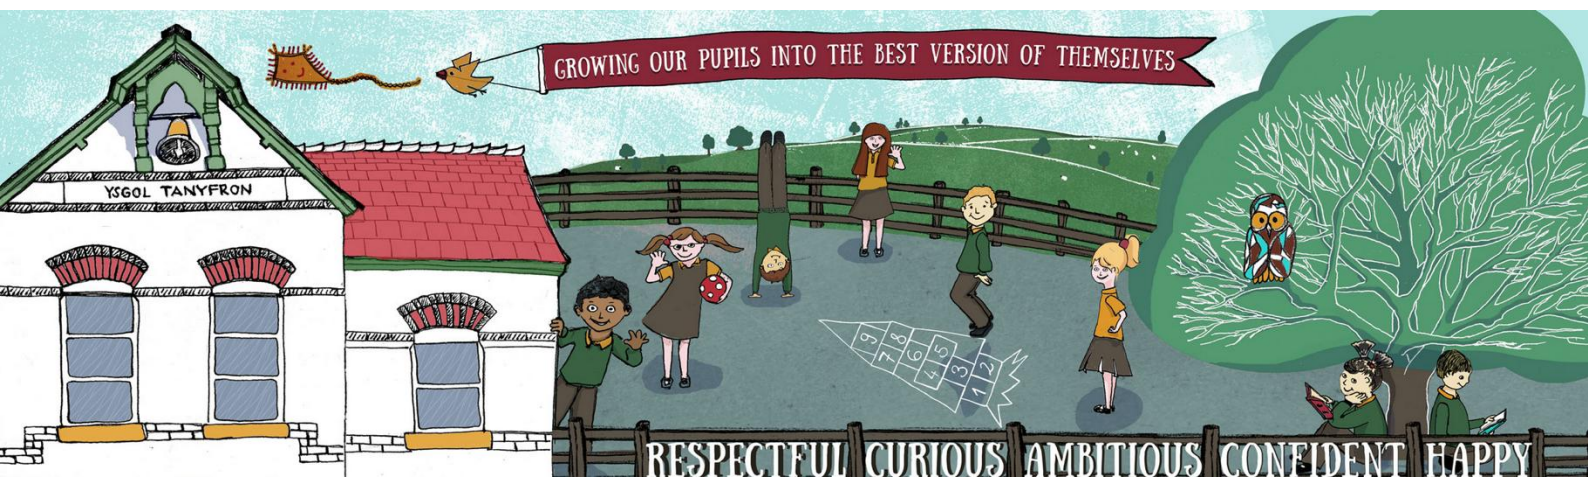

Ysgol Tanyffron is a community primary school in Wrexham. We currently have 142 pupils on roll, including 20 nursery children who attend on a part-time basis. Pupils are taught in five mixed-age classes, with the majority living within the local community. Around 10% of pupils are eligible for free school meals, and approximately 5% have identified Additional Learning Needs.

Outdoor learning is an important part of life at Ysgol Tanyffron. We are fortunate to benefit from a well-established Forest School area and extensive outdoor learning provision within our Foundation Phase. We also make full use of our local surroundings, providing enriching experiences that allow pupils to develop their skills, confidence and understanding through meaningful real-world opportunities.

Further information about the school can be found on our website. Please scan the QR code to access the site, where you will find key information, school updates and details about life at Ysgol Tanyffron. We also regularly share news, achievements and celebrations on social media.

Ysgol Tanyffron

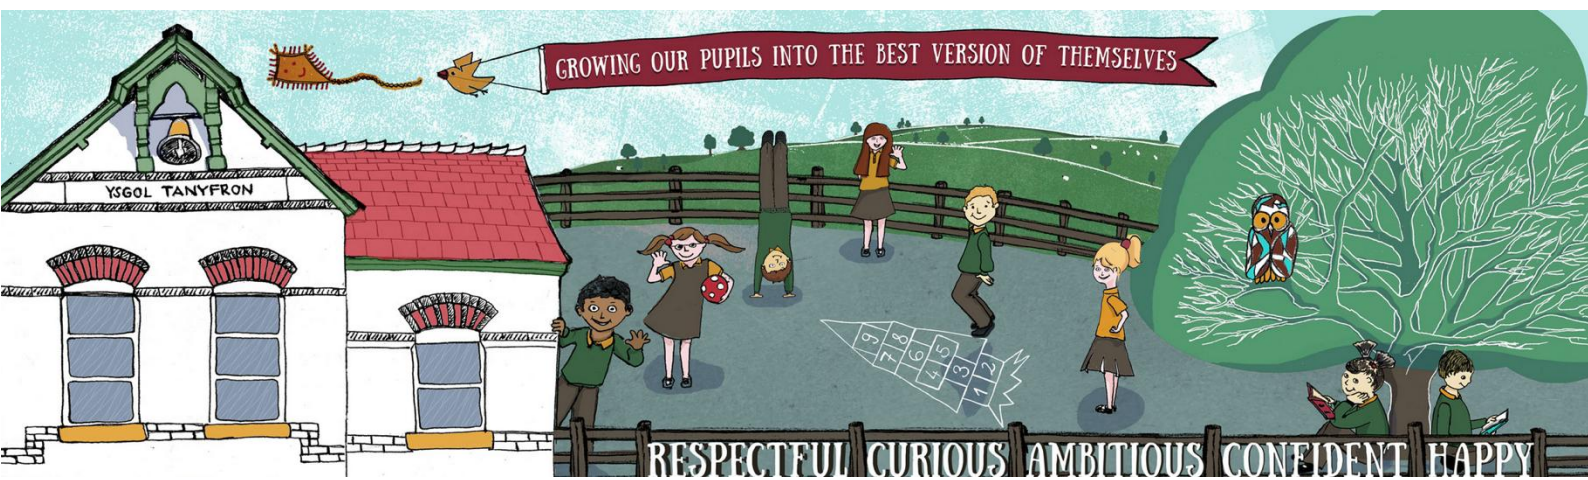

Our school's Vision and Values

'Growing our pupils into the best version of themselves.'

At Ysgol Tanyfron we want our learners and staff to become the best possible version of themselves that they can be. On building our vision and values we worked closely with pupils, staff, parents and governors to identify the five core values we want our children to have. These are the foundation for our curriculum design.

<u><i>Our Values</i></u>	<u><i>Our Behaviours</i></u>
Respectful	At Ysgol Tanyfron we treat others how we would like to be treated. We appreciate thoughts, feelings and opinions. We are courteous, kind, caring and helpful individuals.
Curious	Our learners want to learn and are interested in broadening their knowledge, skills and experiences. They lead the learning that happens in school and will become lifelong learners.
Ambitious	We encourage our learners to be passionate, strive to do the best that they can and to be willing to take managed risks. We develop individuals who display perseverance, resilience and look to the future.
Confident	At Ysgol Tanyfron we have a 'can do' attitude and believe that we can all become the best version of ourselves. We promote independence and the confidence to have a go at new things.
Happy	We promote individuals who are happy and content in themselves. We place wellbeing at the heart of what we do and believe that every individual should have something to smile about daily.

Our school's Organisation

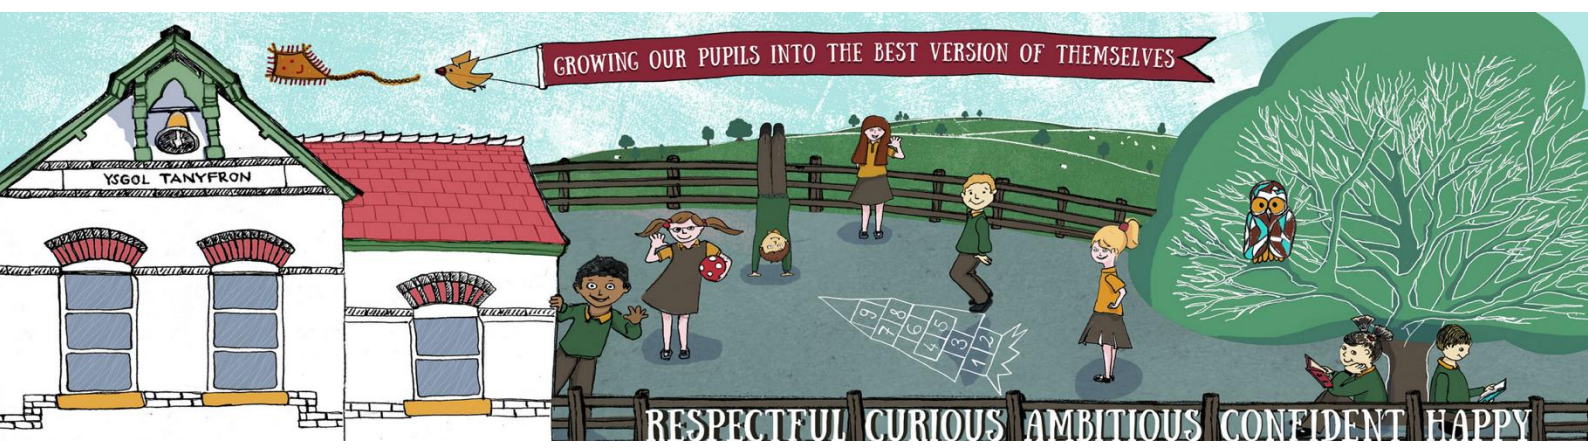

School Background

Ysgol Tanyfron is a Community Primary School, which first opened its doors in this building in 1875. Pupils are educated primarily through the medium of English with Welsh being taught as a second language and promoted to be used as often as possible.

Ysgol Tanyfron has seen steady growth in its number on roll as a result of positive teaching, parental relationships and recent local housing developments. As a result of this progress the governing body adopted the local community centre from September 2015. The former community centre is home to our Early Years provision and wellbeing areas.

Our school's Curriculum

The New Curriculum for Wales

Our curriculum is at the heart of what we do. It offers a broad and balanced context in which to develop the four purposes in all our learners, regardless of age or ability. It provides for appropriate progression for all learners and includes a range of provision to ensure this. The four key purposes of the curriculum are:

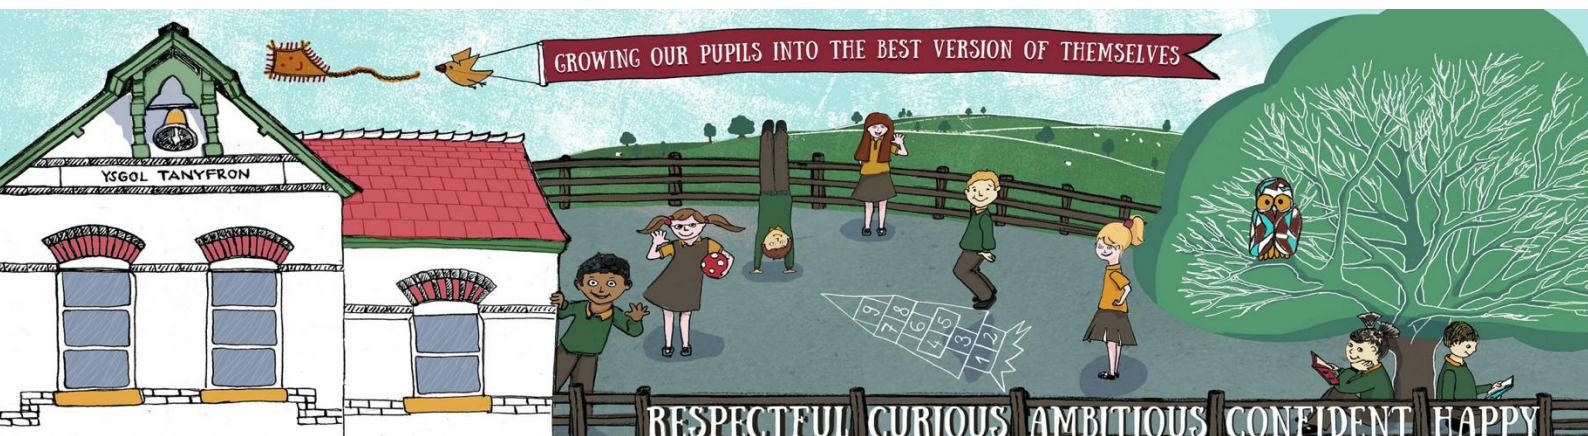

- Ambitious, Capable Learners who are ready to learn throughout their lives.
- Enterprising, Creative Contributors who are ready to play a full part in life and work.
- Ethical, Informed Citizens who are ready to be citizens of Wales and the world.
- Healthy, Confident Individuals who are ready to live fulfilling lives as valued members of society.

Within our curriculum teachers will be the facilitators of learning which is led by our pupils. We will provide engaging, experiential learning experiences which maximise the use of real-life contexts and outdoor learning. Our aim is to produce high quality teaching experiences which excite and motivate our learners in and out of the classroom.

Our curriculum contains the 6 Areas of Learning and Experience:

- Languages, Literacy and Communication
- Mathematical Development
- Science and Technology
- Humanities
- Health and Wellbeing
- Expressive Arts

Please scan the QR code to find our Curriculum Rationale.

Our school's Curriculum

Religion, Values and Ethics

This is a mandatory element of the curriculum and is taught in an objective and factual way. The ethos of the school rests on Christian values and worship is conducted through a broadly Christian theme. Other religions are studied as part of the R.V.E. curriculum and we regularly plan whole school learning such as 'Diwali Week'. Our local Reverend visits the school regularly and some of the church festivals are conducted by the pupils in All Saints Church Southsea.

Collective Worship

Collective Worship takes place in school daily alongside the celebration of the main Christian Festivals. Parents/carers who wish to withdraw their children from Collective Worship should inform the Headteacher in writing.

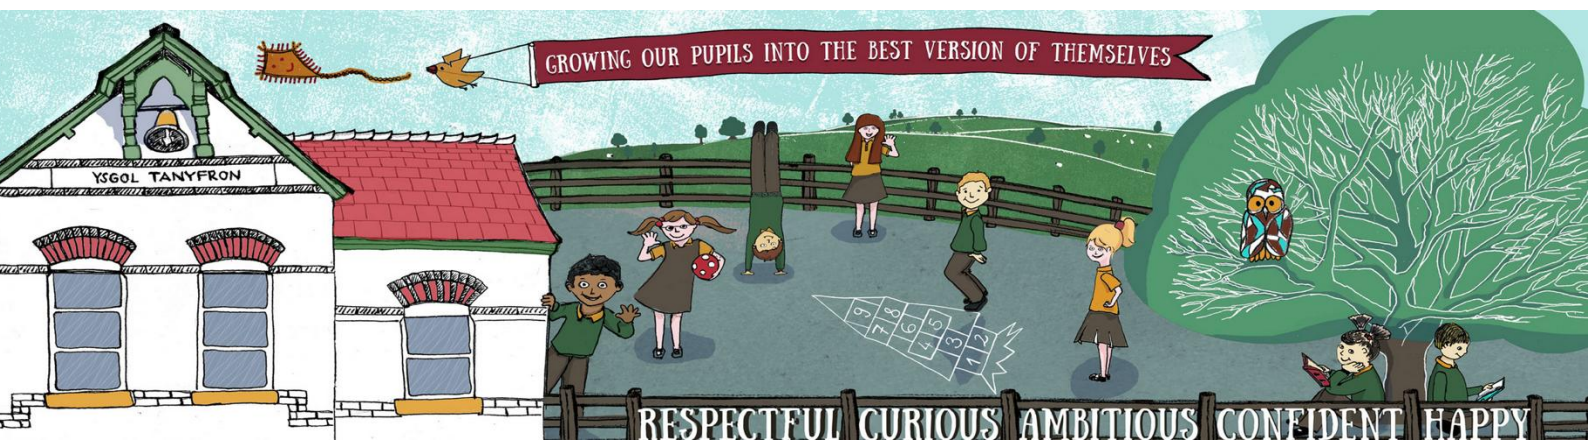

Relationships and Sexuality Education

This is another mandatory element of the curriculum and the schools programme of relationship and sex education, as agreed by the Governing Body, is linked with other areas of the Curriculum for Wales. Parents may view the policy to inform them of the approaches and subject matter addressed in each class.

Policies relating to religious education, sex education and any curriculum complaints are available on our school website.

Welsh Language

At Ysgol Tanyfron we teach predominantly through the medium of English but with significant use of the Welsh language. Learners celebrate the Welsh language, culture and heritage throughout their work. We ensure we incorporate the principles of the Siarter Iaith into all aspects of our curriculum. During their time in school, learners have opportunities to attend residential trips to Cardiff, Glanllyn and Nant Bwlch yr Haearn.

Assessment and Inclusion

Assessment

Formative (ongoing) Assessment is used continually to help plan relevant and meaningful learning activities for the pupils. Periodically, –usually termly– the school will assess the individual progress and each of every child to inform next steps and appropriate support.

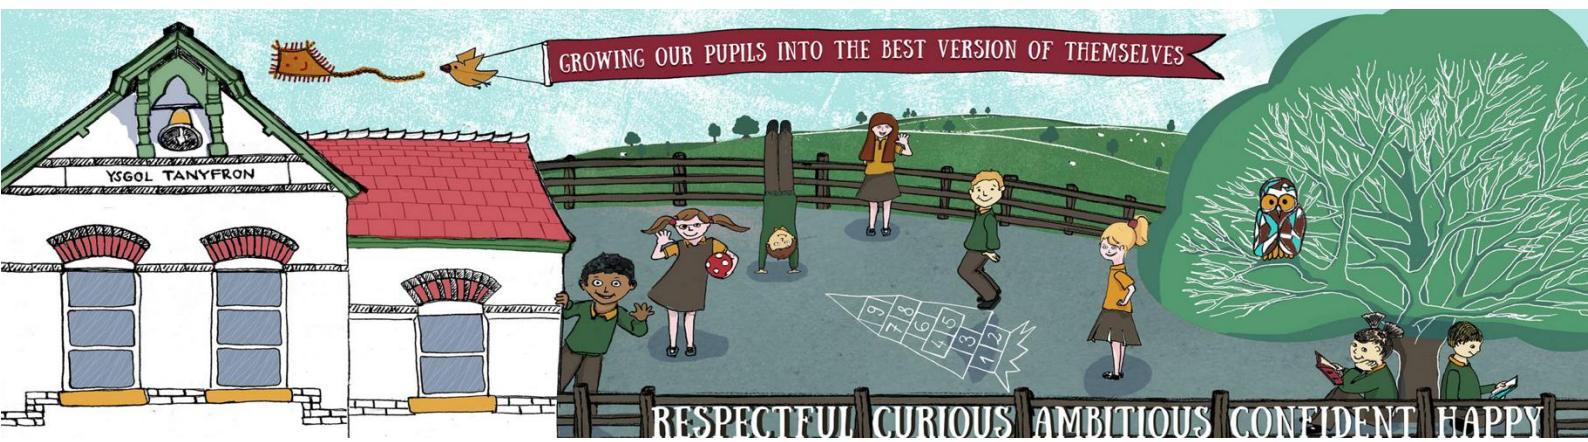

Additional Learning Needs

In September 2021 the Additional Learning Needs (ALN) Act was implemented. The act sets out the new statutory support system in Wales for children and young people with special needs. The term ALN replaces 'special educational needs' (SEN) and 'learning difficulties and/or disabilities' (LDD), covering all children and young people with additional needs. A key element of the ALN Act is the provision of an Individual Development Plan (IDP) for every child who has ALN, regardless of the severity. The ALN Act aims to help children and young people with ALN overcome barriers to learning and reach their full potential.

We are proud to be an inclusive school that values each and every child and aims to ensure that they have the support and opportunities to realise and meet their potential. The Additional Learning Needs Coordinator implements the school Additional Learning Needs Policy (available from the school office or website). Their work entails:

- Reviewing the progress of pupils and identifying those who would benefit from additional support as part of the 'Universal Offer' of the school.
- Working to develop 'Person Centred Practice' to ensure that the pupil is at the heart of planning any additional support they may require.
- Coordinating the work of Teaching Assistants who provide additional interventions to individuals and groups and monitoring the effectiveness of these.
- Planning Annual Reviews for pupils who have Statements of Special Educational Needs/Individual Development Plans and working with colleagues in the Inclusion Service to seek further guidance and assessment where required.
- Quality Assurance of Individual Development Plans and ensuring that these focus on person-centred outcomes.

We value the diversity of all members of our school community and actively seek to provide the best for all pupils; through a person-centred approach.

School Procedures

Home School Agreement

A Home School Agreement has been developed to show expectations of the school, parents/carers and pupils as they move through school. This agreement is reviewed annually and parents/carers and pupils' views are sought when reviewing this.

School Meals

School Meals are cooked on the premises and served in the main school hall. Pupils have a variety of meals to choose from each day. School meals are free for every child N-Y6 and can be ordered through ParentPay. Children are also allowed to bring a packed lunch. The children are supervised during lunchtime by school members of staff.

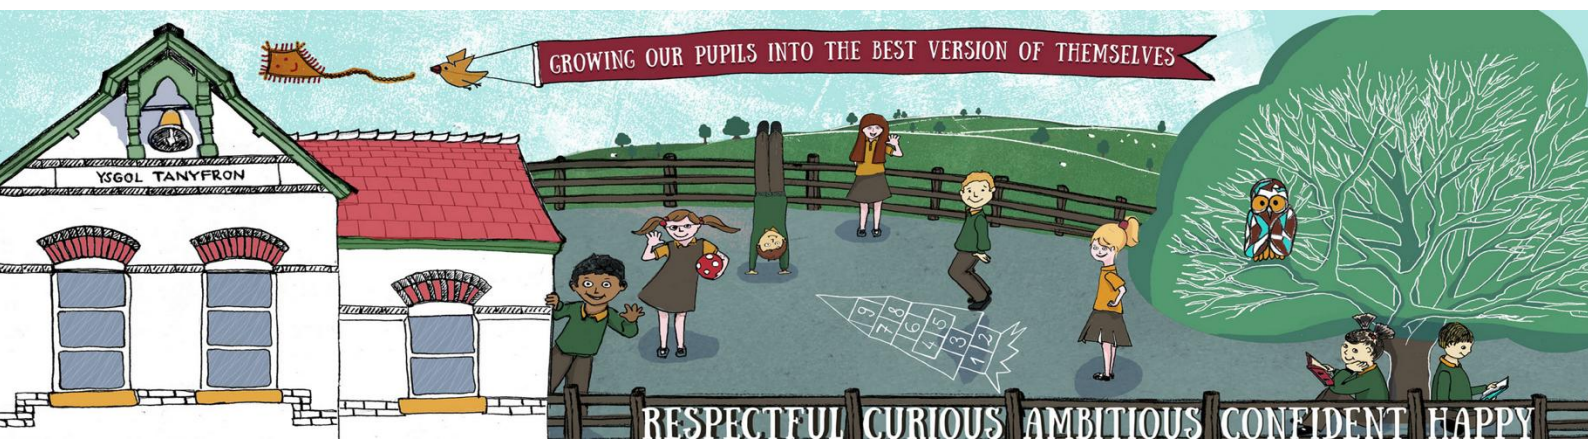

Additional Free School Meal Support

Children whose parents receive the following support payments are entitled to receive 'Free School Meals' support in maintained schools in Wales:

- Income Support (IS)*
- Income Based Jobseekers Allowance (IBJSA)*
- Support under Part VI of the Immigration and Asylum Act 1999
- Income-related Employment Support Allowance (IR)
- Child Tax Credit, provided you are not entitled to Working Tax Credit with an annual total income below the HMRC set limit
- Guarantee element of State Pension Credit
- Working Tax Credit 'run-on' – the payment someone may receive for a further four weeks after they stop qualifying for
- Working Tax Credit
- Universal Credit.

Online Payments

To enable parents to easily access and keep up to date with payments we use an online system called 'ParentPay' for payment of all items including: breakfast club, snack money, book bags, swimming lessons, trips and additional options can be added when needed. Wrexham County Borough Council have introduced this system for the mutual benefit of both school/parents and is school's preferred method of payment. All parents are issued with a unique payment reference no. for each child once they are on-roll at Ysgol Tanyfron. Further details and instructions on how to use the system can be found on the School website.

School Procedures

Reporting to Parents/Carers

A 'Parents' Evening' is held in the Autumn Term for all classes when parents are invited into school to receive information about school life. Parents' evenings are also held during the Spring Term when parents are invited to discuss their child's work and progress with the teacher. A formal report of your child's overall progress is sent to you at the end of each school year with opportunity to attend a third Parents' Evening to discuss this. Parents are welcome to request a meeting with their child's class teacher at any time during the school year through contacting the school office.

School Security and Health and Safety

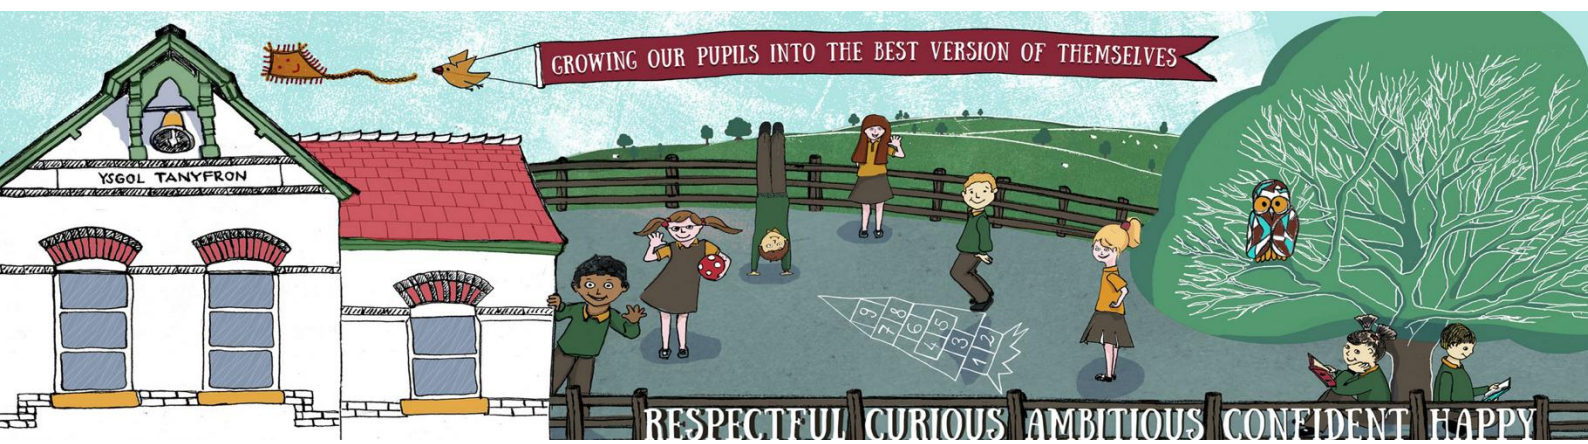

The school has extensive grounds which have a secure boundary throughout. Access to school is via a locked gated system and secured entrance. Robust signing in processes are in place to ensure the safety of your children. The site is maintained by the LA Facilities Management team and regular monitoring and site checks are carried out by the Headteacher, caretaker and nominated Health and Safety Governor.

Breakfast Club

Breakfast Club is held each morning in the school hall and all pupils are very welcome to attend. Breakfast club runs between 8:00 a.m. and the start of the school day. Bookings into Breakfast Club must be made via ParentPay.

Wrap Around Care

All wrap around care is provided by Dragons Daycare. Further information can be found via the school website.

Pupil Wellbeing

Attendance and Punctuality

The school has high expectations regarding both attendance and punctuality, both of which are critical to success in school. If your child is absent, we ask that you contact the school office at the soonest opportunity to inform us. We follow the Local Authority Attendance Policy, which is available on request from the school office.

Equal Opportunities

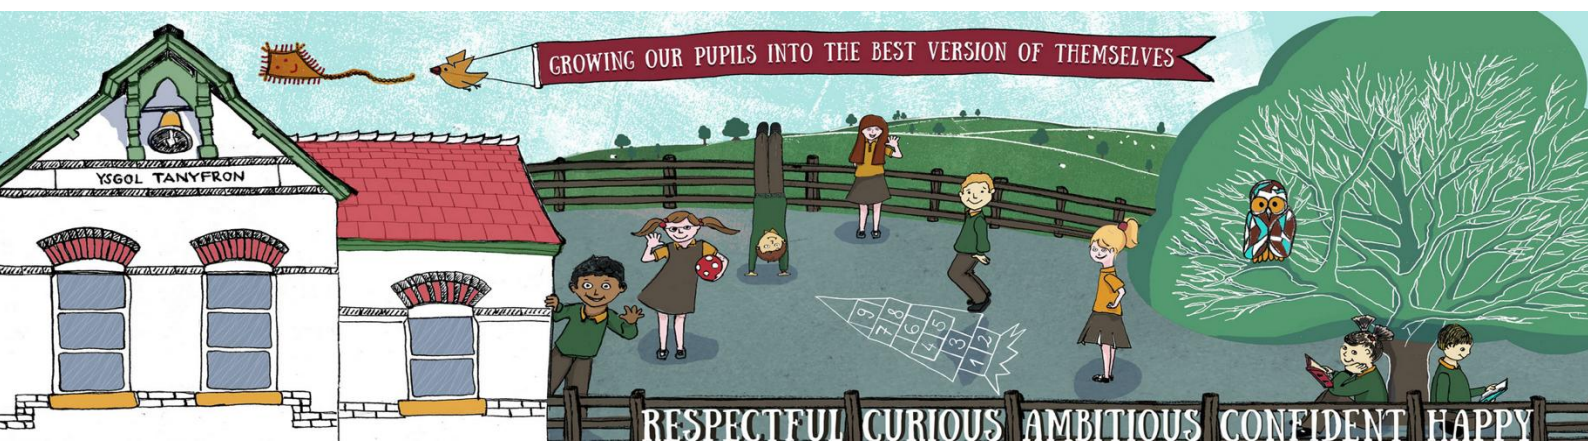

The school has adopted the Local Authority's Equal Opportunities policy and plan. The school always endeavours to uphold it with opportunities being the same for all who attend. The school has an accessibility plan which identifies facilities for pupils with physical disabilities. The school's ethos of inclusion is shared by all staff and pupils and is actively promoted through the school's values. Admission for pupils with disabilities should be sought via the Local Authority Admissions and Inclusion teams respectively.

Sports and Extra-Curricular Clubs

Our school has lovely grounds and we have a large playing field and a multi-use games equipment. There are a wide range of sports activities undertaken during the year both as part of the curriculum and extra-curricular clubs including netball, football, tennis, gymnastics, cricket and rugby. Children also have the opportunity to represent the school in swimming and football. Swimming lessons are given to pupils from Year 2 and are taken at Gwyn Evans.

Parents, Friends and Teachers Association (PTFA)

Ysgol Tanyfron has an active and invaluable PTFA that organises successful and fun events for pupils, parents and community members with the aim of raising valuable funds to support our children's learning within school. These have included Christmas fair, Easter Bingo and sports day refreshments. Parents/friends can contribute as much as they are able and any help/input is appreciated and is invaluable for continued success.

School Policies

Complaints Procedure

Should parents/carers have any reason to complain about any aspects of school then the school complaints procedure is available from the school office as well as on the school website. We do hope, however, that any problems can be resolved by following the below process:

Stages

1. Contact class teacher with concern. If not resolved;
2. Contact Headteacher. If not resolved;
3. Write to the Headteacher. If not resolved;
4. Write to Chair of Governors.

If a parent/carer feels that the school has not followed its complaints procedure, they can contact the Local Authority for further advice. The School Complaints Procedure is available on the school website or on request from the school office.

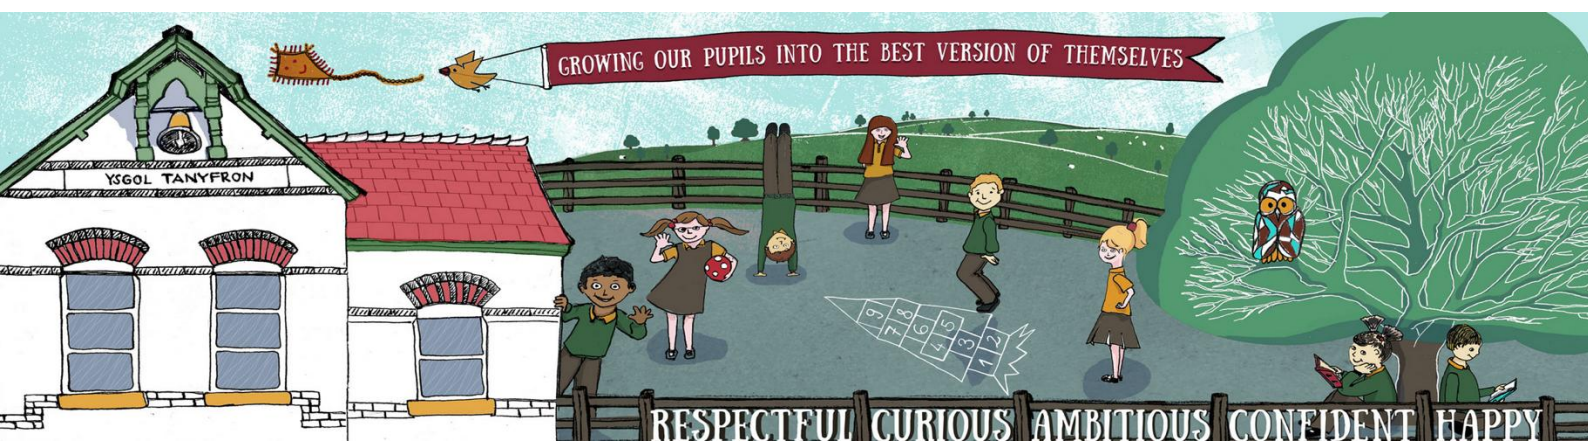

Safeguarding & Child Protection

The School follows the Keeping Learners Safe 2015. The following points are very important:

- The welfare of your child is paramount.
- We will make every effort to ensure that children without exception have the right to protection from abuse regardless of gender, ethnicity, disability, sexuality or beliefs.
- All concerns, and allegations of abuse will be taken seriously by staff and everyone associated with Ysgol Tanyfron and responded to appropriately – this may require a referral to children's services and in emergencies, the Police.
- We have a commitment to safe recruitment, selection and vetting; all staff and governors in school have been DBS-checked and all volunteers will be DBS-checked prior to starting their time with us.
- We will refer to all associated policies and procedures which promote children's safety and welfare e.g. with regards to health and safety, anti-bullying, protection of children online and photographs.

The Designated Safeguarding People are Miss Harris and Mrs Evans-Jones.

If you require further information, the Child Protection and Safeguarding Policies are available from the school office, or on the school website.

School Policies

Charging and Remissions

No charge is made to parents for any education provided wholly or mainly during school hours, admission to school for children of compulsory school age, activities which are part of the Curriculum, or are part of a prescribed examination syllabus, or part of Religious Education, the supply of any materials, books and instruments or other equipment, transport to school. Parents can make voluntary contributions for educational and residential trips and musical tuition to enhance the curriculum.

School Uniform

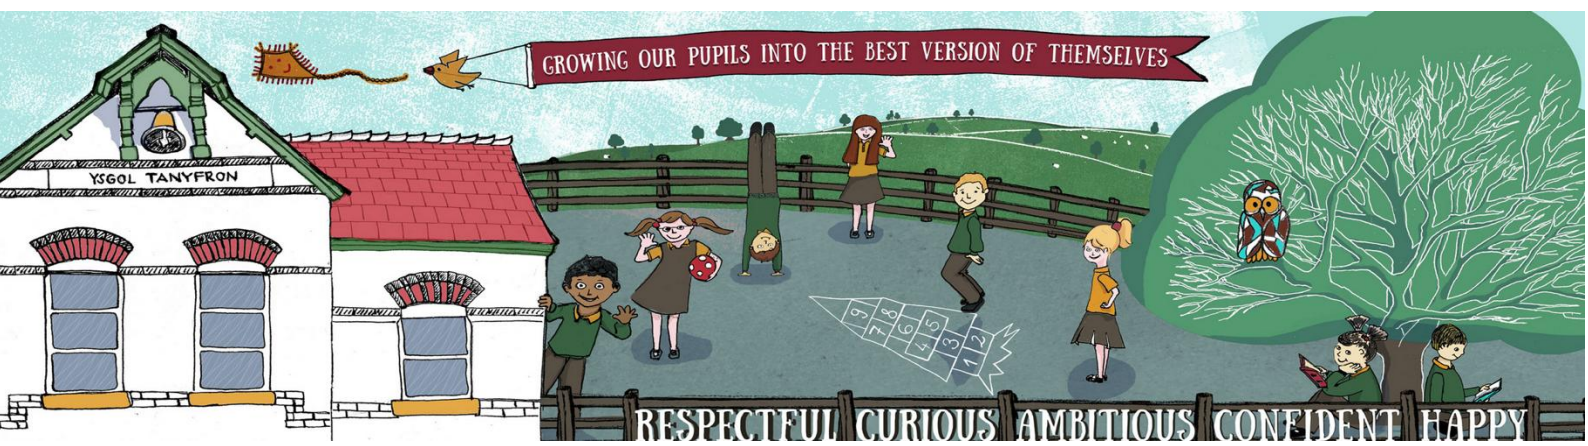

We encourage pupils at Ysgol Tanyfron to wear their uniform with pride as it demonstrates that they are part of the school community. We have high expectations from our pupils with regards to school uniform and appearance, and strongly believe that our high standards promote positive behaviour, equality, supports effective teaching and learning and contributes to the ethos of the school. We offer a dedicated uniform supplier but also provide recycled uniform and permit non-branded uniform options to ensure that our requirements are equitable and inclusive.

SCHOOL UNIFORM:

- Dark green sweatshirt/cardigan
- Yellow polo shirt
- Grey or black trousers/skirt
- Green and white gingham summer dress/grey or black shorts
- Sensible, black flat shoes (high heels not permitted)

PE KIT:

- Trainers / pumps
- Yellow, round neck T-shirt
- Black shorts
- Black tracksuit/joggers for outdoor games in cold weather

School's Governing Body

The Role of the Governing Body

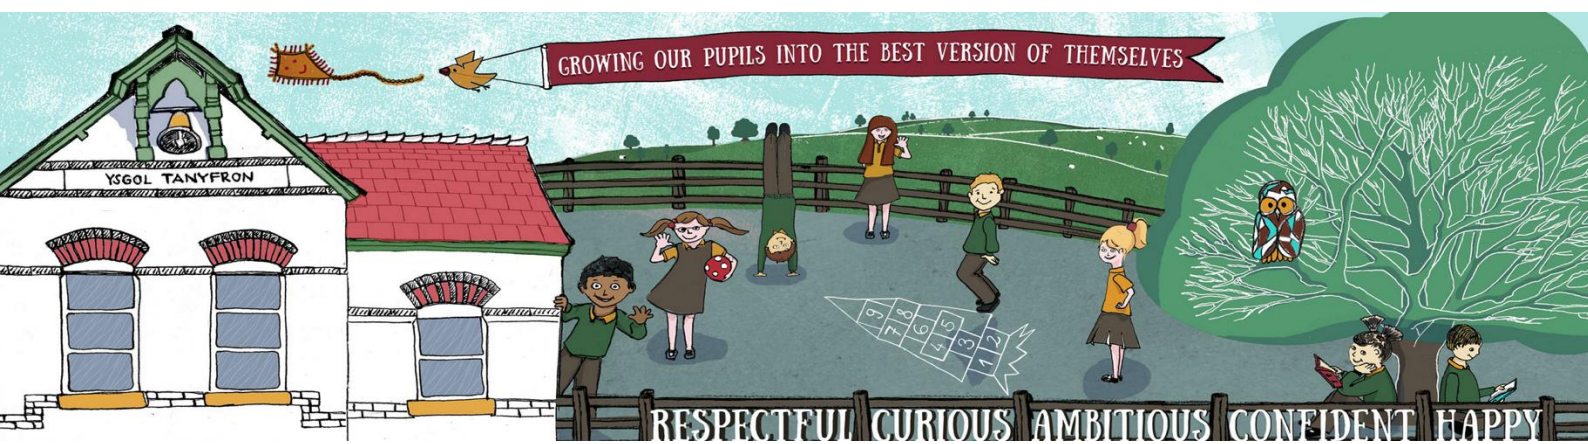

The Governing Body has a substantial range of responsibilities.

Our Governing Body:

- Supports the school staff in deciding what is taught.
- Setting standards and policies relating to behaviour and inclusion.
- Interviewing and selecting staff.
- Determining how the school budget is set.

Our Governors

Chair of Governors	Mr Simon Wynne (Mr Wynne can be contacted care of the school)
Vice Chair of Governors	Mr Kevin Sutton
Parent Governors	Mr Iain Prince
	Mrs Sarah Hannaby
	Mrs Tara Fishburne
Community Governors	Mr Kevin Sutton
	Mrs Hayley Morgan
	Mrs Claire Whitley
Additional Community Governor	Vacancy
Local Authority Governors	Vacancy
	Vacancy
Teacher Governor	Mrs Evans-Jones
Non-Teacher Governor	Mrs Sarah Burness
Headteacher (Acting)	Miss Carly Harris
Clerk	Ms Lisa Curley (WCBC)

Arranging Admissions

The Local Education Authority is the admissions authority for all schools within Wrexham County Borough, and all applications are considered by the Admissions Team. If you would like to visit Ysgol Tanyfron and see our school in action, please do not hesitate to contact us. We would be delighted to welcome you and share our nurturing learning environment and school community with you.

The Wrexham Local Authority Admission Policy can be viewed on our website for further details.

Deadlines for application at the age ranges below are published annually and can be obtained from the Wrexham LA admissions team.

Nursery

Children aged three and above are admitted to our Nursery class in the September following their third birthday. We believe these early years provide an important foundation for future learning, helping children to develop the skills, confidence and independence needed to thrive throughout their educational journey. We hold welcome meetings for both new and existing parents to ensure a positive start to school life and to build strong home-school partnerships from the outset.

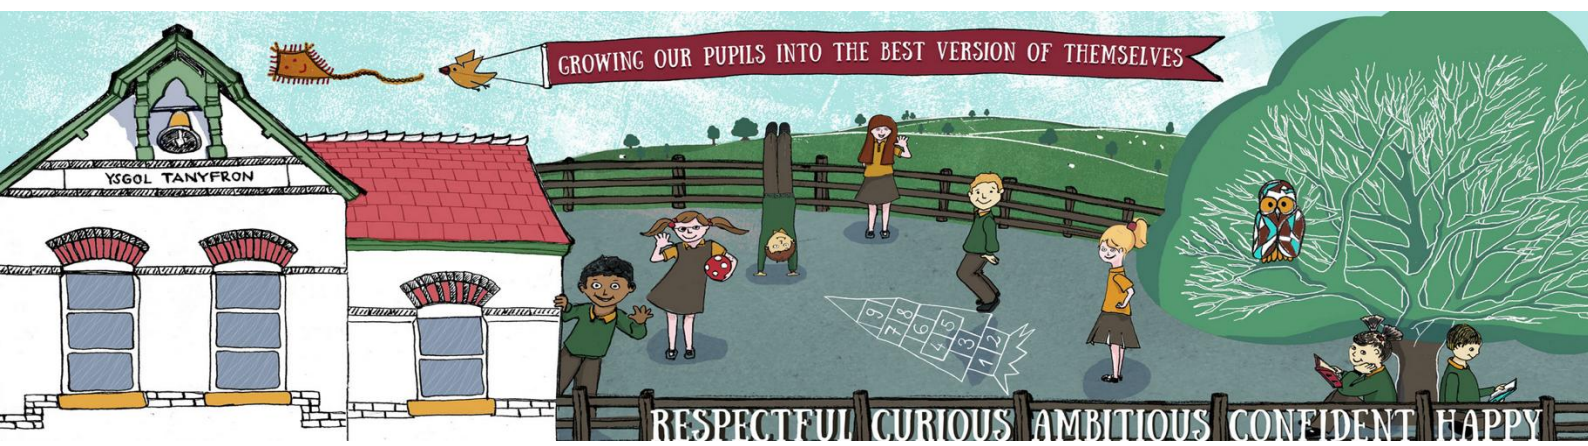

We encourage parents and carers to visit the school before their child's third birthday and to add their child's name to our waiting list, as this supports our forward planning and admissions processes.

Families who are eligible for the Welsh Government's 30 Hours Childcare Offer can access 12.5 hours of the educational entitlement through our Nursery provision within the Early Years class. The remaining hours can be used for childcare through Dragon's Daycare, the on-site childcare facility, providing a seamless transition between childcare and education within the school setting.

Reception

Each child about to commence full time education will be offered a place in a school maintained by the Local Authority. Children in our Nursery Class who live in our catchment area will be eligible to apply for a place in our Reception Class.

Admission for older classes can be arranged at any time via the Local Authority Admissions Team.

Arranging Admissions

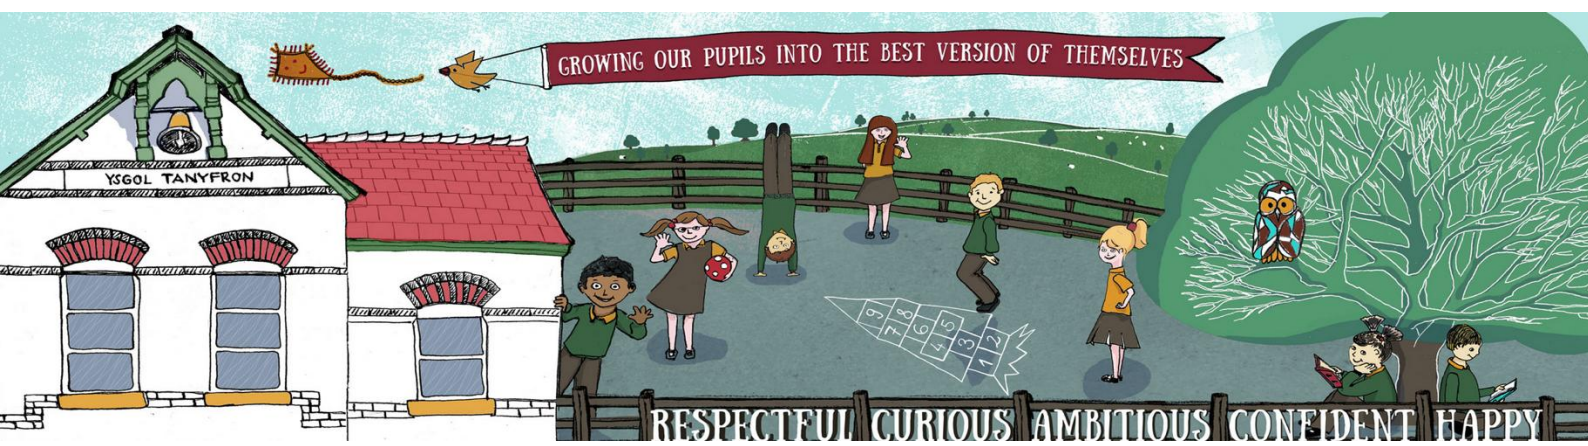

Early Entitlement – This is provided by Dragon's Daycare

Children are entitled to 10 hours of Early Education, the term following their third birthday. Early Education is available in the Spring and Summer terms only. If you are eligible to claim the Government's 30 hours Childcare Offer - 10 hours of the 30 form the educational element of the offer accessed by Early Entitlement in the school's Early Years class, the remaining hours can be used by way of childcare which is offered by Dragon's Daycare the onsite childcare facility.

Transition

Pupils joining our school will visit prior to their formal start to familiarise them with the environment, the staff and their peers. Should a structured transition plan be required, this will be developed in partnership with parents/carers and the Additional Learning Needs and Inclusion Coordinator.

Throughout Year 6, pupils will be prepared for the move up to their respective High Schools. Strong links exist between the school and high schools that pupils transfer to and we work hard to help develop confidence and reduce any anxiety around moving to high school.
